## What's in a MyAIMStore Site?

So you've selected your URL and added your contact information to your site, but now you want to share a little about yourself. The 'About Me' section of your site is just for that. By default, all MyAIMStore sites include the same information in the 'About Me' section, so it's important to update and personalize this section of your site.

To update the 'About Me' section, Login to your site by visiting

<https://myaimstore.com/your-store-name-here/wpadmin/>

or use the 'Login' link in the bottom right corner of your MyAIMStore Website.

- From the left menu, click "Options"
- Click the 'Member Info Options' tab
- Scroll to Member 'About Me'
- Use the text editor to tell visitors a little about yourself or highlight a favorite product. When you're finished, save the changes by clicking 'Update'
